R.P.No.597/07 in W.P.(C) No.11130/07

Dated 22nd August, 2007.

O R D E R

Kurian Joseph, J.

This Review Petition is at the instance of the writ petitioner in W.P.(C) No.11130/07. Taking note of the pendency of O.P.No.136/07 before the Family Court, Thrissur regarding custody of the two minor children born to the petitioner in late Deeja, this Court issued a direction to the Family Court to see that the petitioner as well as the respondents have the custody of the children one month each. There was a further direction to the said court to dispose of the Original Petition expeditiously. The Review Petition was moved mainly on the ground of treatment for the elder child. Sri.Sreekumar(Chelur) has made available the details of the test (Liver Function Test) which was conducted on the child on 20.7.2007. We do not think that for the only reason that the child required treatment, there should be any modification to our judgment. It is brought to our notice that the case is posted before the Family Court on 24.8.2007. The petitioner shall produce the children before the Family Court on 24.8.2007 and thereafter, the children shall be with the respondents for one month. On the expiry of the said period of

one month, the Family Court will see that the children are handed over to the writ petitioner. The arrangements as per the judgment shall continue till the Original Petition pending before the Family Court is disposed of. In case the children require any treatment, it will be open to the petitioner to approach the Family Court itself for appropriate orders. It is made clear that when the children are with the respondents, the petitioner shall not be denied visitorial rights on any of the two days during Onam holidays. Subject to the above clarification, the Review Petition is disposed of.

K.T.SANKARAN, JUDGE.
